Tuesday 25th December - closed

Wednesday 26th December - closed

Open normally 27th - 31st December

Throughout this period you can continue to call our usual number and Vale Vets in Portishead will answer the phone on the days when we are closed - the team there will be on hand for advice and will be able to deal with all your festive emergencies in the usual way.

Please note that Richard and Helen are taking annual leave from Friday 21st December until Sunday 30th December; you will be in the capable hands of Michelle and Lisa as usual, with Vicky and Matt doing the veterinary work during this time.

Please order your **repeat prescriptions** and any **foods** required in good time - our **last order will go to the warehouse on Thursday 20th December** but some medications are not on a next day delivery, so think ahead to save any last minute complications!

**We would like to
wish all our clients
and their pets a very
Happy Christmas
and a peaceful and
healthy new year!**
